**NOTICE OF THE UNITED STATES POSTAL SERVICE OF FILING
REVISED RATE CREATION MATERIALS**
(February 7, 2020)

In compliance with Order No. 4702,¹ the United States Postal Service (Postal Service) has filed in this docket Global Expedited Package Services – Non-Published Rates 14 (GEPS NPR 14) customer agreements, along with the inputs worksheets that were used to generate customer-specific rate tables for each agreement filed.

The GEPS NPR 14 Management Analysis that the Postal Service filed in this docket states:

[t]o ensure that the prices are not stale in comparison to indices used as cost inputs or in comparison to foreign exchange rate fluctuations, management updates these factors on a monthly basis, but the rates generated will always be in accordance with the rate design set forth in the previous paragraph. Additionally, if the Postal Service files a revised version of its International Cost and Revenue Analysis (ICRA) Report,

¹ Order No. 4702, Order Concerning the Addition of Global Expedited Package Services (GEPS) - Non-Published Rates 14 to the Competitive Product List, Docket Nos. MC2018-186 and CP2018-260, July 9, 2018, at 6-7.

² Request of the United States Postal Service to Add Global Expedited Package Services – Non-Published Rates 14 (GEPS – NPR 14) to the Competitive Products List and Notice of Filing GEPS – NPR 14 Model Contract and Application for Non-Public Treatment of Materials Filed Under Seal, Docket Nos. MC2018-186 and CP2018-260, June 22, 2018 (“GEPS – NPR 14 Notice”), Attachment 2C, GEPS NPR 14 Management Analysis, at 7.

The Postal Service hereby gives notice of filing under seal an unredacted version of this notice, updated inputs and instructions for the GEPS NPR 14 product related to prices for Priority Mail Express International (PMEI), Priority Mail International (PMI), and First-Class Package International Service (FCPIS) that went into effect on January 26, 2020, as well as the relevant costs for FY2019 filed in the ACR2019 docket. The updated annual costs are to be incorporated in the monthly inputs for the GEPS NPR 14 product, starting with the March 2020 monthly inputs. These materials do not affect the specific GEPS – NPR 14 PMEI, PMI, and FCPIS pricing incentives that are set forth in the GEPS NPR 14 Management Analysis. The only changes are to the software tools used, the format of the financial models, and the inputs used concerning PMEI, PMI, FCPIS, as well as costs.

Redacted versions of the Excel files in the supporting financial documentation filed under seal are included with this filing.

The Postal Service incorporates by reference the application for non-public treatment that was filed in conjunction with the Postal Service's notice of June 22, 2018, in this docket.³ The application protects from disclosure the information that has been redacted from the materials that the Postal Service is filing today with this notice.

³ GEPS NPR 14 Notice, at Attachment 1.

Respectfully submitted,
